EDUCATION

- | | |
|---|----------------------------|
| EdYoda Digital University, India
6-Month Certification Data Scientist Program <ul style="list-style-type: none">Relevant coursework: Python Programming, Data Analysis, Data Wrangling & Visualization, Machine Learning, MySQL. | Aug 2021 – Present |
| Seacom Engineering College, Howrah
B.Tech Computer Science and Engineering <ul style="list-style-type: none">CGPA: 8.63/10Final Year Project: Routing Algorithm in Wireless Sensor Network. | Aug 2015 – Jun 2019 |
| Dhanbad Public School, Dhanbad
12th Science <ul style="list-style-type: none">Percentage: 90.2%Relevant coursework: Physics, Chemistry, Mathematics, English, Phy .Ed, Fine Arts. | Apr 2013 – May 2015 |
| Guru Gobind Singh Public School, Dhanbad
10th Secondary <ul style="list-style-type: none">CGPA: 8.8/10Relevant coursework: Mathematics, English, Science, Hindi, SST, Moral Science. | Apr 2012 – May 2013 |

WORK/ INTERNSHIP EXPERIENCE

- | | |
|---|-----------------------------|
| Tech Mahindra, Noida
Software Engineer <ul style="list-style-type: none">Involved in bug fixes, resolving vulnerability related to security issue.Providing daily monitoring report.Checking the error in code on Linux server and resolving it if any queries came from client side.Plan and establish day wise work schedules, production sequences to meet production target with effective utilization of work details.Preparing daily, weekly and monthly work report and forward it to Manager.Involved in Unit Testing of the code in test server before deploying it to the production server.Ensuring Quality Work for self & customer satisfaction.Incorporating necessary modifications and improvement which discuss with team members and approved by manager. | Jul 2019 – Present |
| Nihilent Analytics Limited, Kolkata
Trainee Software Engineer <ul style="list-style-type: none">Maintenance of existing software products.Learn on the job and complete task assigned by the lead or mentor. | Mar 2019 – July 2019 |

PROJECTS

- | | |
|---|----------------------------|
| Book Your Movie (Using Python) <ul style="list-style-type: none">How to virtually select a ticket and book it, how to see which seats are already booked and vacant.How to see the cost according to the location of the seats.
(It will show the statistics and also show user info of booked tickets) | Oct 2021 – Oct 2021 |
| Quiz Setup <ul style="list-style-type: none">The objective of this project is to set quizzes and allow users to take up the multiple-choice Quiz using the command line. | Oct 2021 – Oct 2021 |
| Superstore (Data Analysis) <ul style="list-style-type: none">The Superstore Dashboard provides a 360-degree view of overall store sales performance. This Power BI Dashboard also provides data about the profit and loss relevant to the product in which year. | Dec 2021 – Dec 2021 |

Problems for COVID-19 Data Analysis using Python (Data Wrangling)

Dec 2021 – Dec 2021

- The Superstore Dashboard provides a 360-degree view of overall store sales performance. This Power BI Dashboard also provides data about the profit and loss relevant to the product in which year.

Routing Algorithm in WSN

Jun 2018 – May 2019

- We presented a comprehensive survey of routing techniques in WSN. They have a common objective of trying to extend the lifetime of the sensor network, while not compromising data delivery. We have proposed an algorithm depending on the drawback of EEPSC algorithm.

SKILLS & CERTIFICATIONS

- **Programming Languages** – Python, C, C++, Core Java
- **Database** – MySQL
- **Tools** – Power BI, Git, Sublime Text, Eclipse, Putty, Advance Excel
- **Certifications** – C & C++, Python, Machine Learning, Big Data, PHP with MySQL.

LEADERSHIP EXPERIENCE

Seacom Technical Club, MAKAUT

Jun 2017 – Jun 2019

Lead in Tech Fest

- Assigning the roles to different group, people for different tasks and events.
- Event Coordinator in annual tech fest.
- Participated in gaming and coding events in the Tech fest.

Tech Mahindra, Noida

Jan 2020 – Mar 2020

Participator

- Participated in Tug of War game organized by company.
- Participated in Quiz competition organized by company.
- Participated in Magic event organized by company.
- Participated in Tambola event organized by company.
- Got Second prize in Quiz competition & First prize in Tug of War.
- Got First Position for all the events in our projects.
- Got several appreciations from the client side for successfully working on critical requirement.

AWARDS & ACHIEVEMENTS

Bravo Award

Dec 2019

- Got Kudos (Bravo Award) for my work in ADL-OWS-DEV.

Pat on Back Award

Dec 2021

- Got Pat on the Back Award for my dedication and work in ADL-OWS-DEV project.
